Contents

1   Welcome!

Thank you for downloading VoxelGame. Currently there is some basic information in this manual, but it will be continuously expanded. VoxelGame is a project I sometimes work on to learn new things and have fun programming, so do not expect too much, especially on the performance side.

2   Versions

1.0.0 The First Release

1.1.0 The World Update

1.2.0 The Block Update

3   Controls
